Laguna Beach Farmer's Market

"Buy Local & Eat Fresh"

Two blocks from the beach and a few steps from the Festival of Arts, the Laguna Beach Farmers Market makes a convenient stop for everyone, and also helps everyone to be a little more environmentally friendly by buying directly from local farmers. This is a certified farmers market: the county agriculture commissioner ensures that each seller at this market is a farmer and only sells the produce he or she grows. With over 50 sellers, there is fresh produce, ready-to-eat food, and a lot of free fruit tasting! Come for lunch or get something for a picnic in the park. Nothing says eating well better than buying local and eating fresh.
