Riverfront Cruises

"Touring the Venice of America by Water"

You can see the city from cruises that depart from Las Olas Riverfront, itself a waterside dining and shopping spot. These cruises chug by the city's most historic sites, mega-yachts and cruise ships, showy hotels, the city's International Swimming Hall of Fame and Marina. Tours are 90 minutes long, leaving every two hours on the half hour beginning at 11a. It is wise to call ahead, however, as times may change seasonally.
