Craftsman House

"Colorful Collection"

Craftsman House is a gallery that showcases contemporary art works. The lush green lawns and beautiful garden welcome visitors in to this creative space. Owned and managed by Stephanie Schorr, it is a gallery-cum-working studio. Here, you will see umpteen art works displayed; jewelry, glass designs and much more work of local and national artists make for its splendid collection. It also has an on-site café serving delicious short eats and variety of beverages including beer and wines. Apart from the art works, Craftsman House also has a pottery studio that features colorful mugs, pots, vases and other wares that will adorn your living room. The innovative designs and art pieces are truly worth a look; so go ahead and visit the Craftsman House soon.

by Alan Mayers

Duncan McClellan Gallery

"Fragile & Beautiful Art Work"

Featuring local and international artists alike, this gallery is known for its impressive glass gallery and studio. Once a tomato packing plant, the grounds have been transformed into an educational, multi-functional space. Nestled in the Warehouse Arts District, the gallery fits in perfectly with the funky, free-spirited neighborhood. Tours, classes and field trip opportunities are offered to those interested.

Vincent William Gallery, Inc.

"Innovative Artwork Crafted by Hand"

Since 1973, the Vincent William Gallery has maintained an impressive collection of fine artwork. At the gallery, visitors will see multiple displays of handcrafted work from more than 40 local artists. The artwork includes pieces of elegant stained glass, intricate jewelry, blown and fused glass, sculpture, photography, ceramics and original stylistic paintings. Visit the gallery to leisurely browse through the beautifully creative and innovative pieces. Artists are available for custom orders. Periodically, the gallery hosts exhibitions and special events. For your convenience, free parking is available on the street directly in front of the gallery. - Vickie Ferguson
