Selfridge's

"Designer Stock, Designer Building"

Aside from its iconic building which is truly a city landmark, Selfridge's is an exclusive, high end department store. The exterior of the building is designed in what is known as the blobitechture style, taking inspiration for its shape from organic, amoeba forms, and is covered in 15,000 anodized discs. Inside, Selfrige's is just as upscale and iconic as the outside, stocked up with all manner of designer clothing, shoes, accessories and even dining.

Autograph

"Minimalist Designer Clothing Store"

Autograph is a designer menswear store with a stylish, minimalist feel, specializing mainly in Helmut Lang, Stone Island and Paul Smith. It sells elegant, casual clothes for both sexes at affordable prices. The shop is favored by the new breed of well-dressed footballer (for example Lee Sharpe, the former Manchester United player, has been spotted here).
