Smoke House

"Old-Style Steak House"

Established in 1946, only a well-worn spot could offer such specialties like steak with all the trimmings. Forget the diet, you're eating well tonight. Right across from the Warner Bros Studios, the most famous item on this menu isn't meat related—it's the cheesy garlic bread. Try the early bird specials for a great discount. No matter when you arrive, however, you'll get a great meal that is worth the price.
