Lattuca Barbecue

"Meat Lover's Utopia"

If you are a meat lover, looking for a place where you can satiate a massive appetite then Lattuca BBQ is the place for you. From briskets, beef ribs to pulled pork and pork ribs, Lattuca BBQ is about all things meat. Served with a generous portion of BBQ beans, coleslaw or mac & cheese, their platters are heavenly to say the least. The meat is done to perfection thus leaving no room for complaints. To ensure no wastage, only a limited amount is cooked each day and the food tends to run out quickly, so be sure you arrive early!

Romados

"Follow Your Nose to Romados"

The smell of Romados' roasting chicken utterly fills the air in this area of the Plateau. People often respond by uncontrollably lining up for 15 minutes to order a succulent chicken sandwich. Cheap on its own, but you can get it with fries or salad for an extra good value. Ravenous for more? Get a half chicken, fries, salad and rice combination. Savvy clientele pre-order their food by phoning 45 minutes beforehand, then skip past the masses to pick up their chow. Pastries, cakes, and their famous egg tarts are also there to tempt you before you make your getaway.

Le Boucan

"Smoked Delights"

Enjoy delectable smokehouse and barbeque favorites in a relaxed setting at Le Boucan, located in Little Burgundy. The menu offers an extensive choice of American-inspired smokehouse specialties including pork ribs, pulled pork guedille and grilled salmon among others. Their signature 5 Napkin Burger and Pit Boss platter are a favorite among patrons. Don't miss the scrumptious desserts on offer. The bar menu offers a premium choice of bourbons, whiskeys and other spirits. Exposed-brick walls, extensive woodwork and warm lighting create a cozy atmosphere in the dining room. The outdoor terrace is an inviting affair in summers. The space is available for private events.

Tejano Bbq Burrito

"Toothsome Burritos"

Tejano Bbq Burrito brings about an amalgamation of two favorites, Mexican food and BBQ and their exciting burritos are always well received by locals and tourists alike. Choose your base then go on and select the hot ingredients, try the Spanish rice if you are looking for a veggies treat but indulge in the spiced pulled pork if you are a meat lover. Any Mexican dish is incomplete without some salsa and guacamole, so go on and add a generous amount of those. Grab a seat nearby and dig into your fantastic creation.
