The Roaring Fork

"Silences your Roaring Appetite"

This local favorite doesn't disappoint even the hungriest cowboy. Southwest favorites offered in huge portions are served with a bevy of libations to boot. Think saloon atmosphere with bistro fare but don't be fooled, the food packs a big punch. Try the green Chile mac and cheese or their ever-so-juicy 22oz bone-in ribeye, to make you remember why you love Texas cooking. Locals can't get enough of the oven baked kettle of green Chile pork stew. The mood here is just as lively as the food, thanks to tasty drinks like the Roaring margaritas and other specials.
