Napa Valley Wine Train

"Traveling Meals"

Hop on this train and experience a first-class meal and fine wines as you tour wine county. The train offers a champagne brunch, casual lunches and fancy dinners. It is ideal for romantic dinners, executive parties and tourist excursions. The train's decor is elegant, though daytime travels are casual. Take in the sights both outdoor and indoor: mahogany, brass and etched glass in the restored 1917 Pullman Dining Car. At the McKinstry Street Station starting point, you will find a handful of charming little shops that specialize in wine (of course), gourmet foods and gifts.

Domaine Carneros

"Blue Blood"

This is considered by many to be the most beautiful 18th-century chateau in North America. The chateau also has one of the most prominent vineyards. Domaine Carneros produces award winning sparking and Pinot Noir wines. You'll feel just like a king in the Louis XV-style salon with gracious service to match. Snuggle up to a warm fire during the cold winter months or enjoy the summer air from the terrace. Check out the in-house store, where you can pick up a number of vintages for friends and family. The tasting tours are offered daily.

Artesa Winery

"Majestic Napa Winery"

This majestic Napa winery features a wine-making museum and an array of champenoise sparkling wines for you to try. It was started in 1991 and specializes in Pinot Noir and Chardonnay. Its 1991 Reserve and a 1992 Blanc de Blancs are exclusive to the winery tasting room. The 40 million dollar wine-making facility sits on a hilltop and offers panoramic views of Napa Valley. Sit in a peaceful courtyard and enjoy a reflecting pool, sculpture, and fountains.

Cornerstone Gardens

"Beautiful Walk-through Gardens"

This is paradise not only for those interested in garden design, landscaping and art, but also for those who love the finer things mother nature has to offer. This ever-changing series of walk-through gardens offers the viewer a magnificent haven in California's beautiful weather. Cornerstone also hosts seminars and lectures on landscaping and garden design.
