Black Acre Brewing Co.

"Delicious Microbrews"

Black Acre Brewing Co is an artisan brewery that brews beers in small batches and focuses on producing quality concoctions. To taste their amazing collection, opt for a brewery tour or head to the taproom to lay-back and relax for a while. Not only can you order from a great selection of drinks, but the restaurant also has on offer small plates, sandwiches and other light snacks. Street Lamp, Natural Liberty and Ghost Bees are just some of the bar menu offerings. The best time to visit is during Wednesday's when patrons can participate in quiz nights or Thursdays when they can enjoy half price on wine bottles. If you are looking for a fun, casual space, the cozy, laid-back atmosphere at the taproom won't disappoint.
