Spirit Urban Spa

"Holistic Retreat"

If you want your mind and body to relax, then there is no better place than Spirit Urban Spa. The various therapies offered at the spa are good enough to transport you into a different world. A team of highly specialized therapists will make you their top priority. The warm and inspiring atmosphere itself is enough to start your rejuvenation process. Body massages offered by expert masseurs will leave you asking for more. Both men and women can avail of the spa facilities, and various packages are available, ranging from three to five hours of treatment time.

Imagine Salon & Spa

"Be Your Own Princess"

From contemporary to classic, however you wish to style your hair, Imagine Salon & Spa is here to make it happen. Whether you wish to sport a hairstyle for your wedding, prom or you are to be a part of an ultra-exquisite event, hair styles done at Imagine are sure to make heads turn. Looking for a make over? Get a hair cut here and be sure to transform your identity. Reflexology, facials and foot & hand treatments are also available at Imagine for those who do not wish to limit indulgence to their tresses. Body Salt Glow & Massage and the Hot Stone Massage Full Body are quite popular among regular patrons. They also offer consultation regarding skin issues through their program, Face Mapping by Demalogica. If you wish to make someone feel special, a spa package from Imagine would be a great idea.
