Big Cat Rescue

"Up Close to Big Cats"

Big Cat Rescue is the largest accredited sanctuary in the world dedicated entirely to abused and abandoned big cats. They are home to over 100 lions, tigers, bobcats, cougars and other species, most of whom have been abandoned, abused, orphaned, saved from being turned into fur coats, or retired from performing acts. Their dual mission is to provide the best home they can for the cats in their care and educate the public about the plight of these majestic animals, both in captivity and in the wild, to end abuse and avoid extinction.
