The Paddlewheel

"Views of Lake Taneycomo"

The Paddlewheel sits adjacent to the Main Street Lake Cruises boarding terminal on the banks of majestic Lake Taneycomo. The old-fashioned restaurant has great views over the lake and on the menu you'll find simple, American food like hot dogs, hamburgers, salads and the very popular fried pickles of course. If you can't find a table on the patio, inside the spacious seating area, you can catch the game or escape the cold and listen to live music. The Paddlewheel is perfect in the summer, that is probably why it's so crowded, but don't worry tables turn over quite fast.
