Arcadya Salon And Day Spa

"The Bold and the Beautiful"

Arcadya Salon and Day Spa is a spa with a heart. The reason being that not only do they make people feel unique and special about themselves but also help out on non-profit organizational projects such as the Wigs For Kids, where they ask people to donate hair (which comes with a free haircut) for all the kids who have lost their hair due to the harsh effects of chemotherapy. Thus from this you know, that there is more to this spa than just being a spa. There is heart and soul, and where there is heart and soul you know that the work they do will be just as good. A must visit for a relaxing day and also a day when you want to do the right thing.
