Rose Garden Restaurant Okinawa

"America On The Plate"

A window protruding out of a sloping roof over the entrance porch, Rose Garden gets flavours of America right from its exterior façades to its food. The fulfilling American breakfast is a bliss, with sumptuous portions of eggs benedict, lean bacon, fried ham, steak, sausages and pork. There are fresh fruit juices to go with the food. What's more, the bread they serve is baked fresh everyday in their kitchen. They also have some Italian items on the menu, such as spaghetti, lasagna and risotto. Rose Garden is a wonderful place for some delicious and filling breakfast, lunch and dinner.

Hamburger Gordie's

"For The Love Of Burgers"

Hamburger Gordie's serve absolutely delicious burgers, onion rings, chicken nuggets, and hot dogs. The burgers are a tempting bundle of veggies packed with sauces (they have ketchup, mustard and mayo) and what's more, they make their own barbecue sauce! There are drinks to go with the food, and also beers. The ambience is warm, and you could make yourself comfortable on the chairs or the booth seats, or even the seating that's outside. Hamburger Gordie's should be tried for a blissful serving of burgers and everything else.
