Newbury Street

"Gehobener Einkauf und beobachtende Menschen"

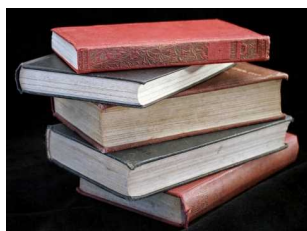

Jeder Einkäufer wird einen Bummel in dieser Strasse geniessen, die acht Häuserblöcke lange Einkaufsmeile bietet gehobene Einkaufsboutiquen, Läden, Restaurants, Cafes und Bars. An warmen Wochenenden sind die Bürgersteige gefüllt mit Menschen, die die Schaufenster betrachten, Strassenkünstlern und überfüllten Cafes. Gelegen im historischen Back Bay -Viertel, ist viel der braunsteinigen Architektur vom Art Nouveaux-Stil der 20er Jahre beeinflusst. Es gibt gehobene Geschäfte, wie Max Mara. Zusätzlich findet man schicke Galerien und Restaurants, wie Stephanie's of Newbury und Sonsie , die gutangezogene und vermögende Menschenmengen anziehen.
