Yardbird Southern Table & Bar

"Southern Soul"

This South Beach favorite was nominated in the "Best Restaurant" by the Miami New Times in 2012 and has won a James Beard Award as well. Step into the restaurant and you'll feel you've gone country with the exposed wood everywhere, barnyard animal touches and mason jar decor. The menu features perfected, scratch-made Southern dishes like Mama's Chicken Biscuits, oyster stew and of course fried chicken, among many many more. The brunch is also very popular with their waffle, French toast and fried green tomato BLT. For some home-style cooking in a rustic chic environment, pop into Yardbird.

Versailles

"Etwas kubanische Kultur gefällig?"

Sehr persönlicher und freundlicher Service und eine reiche Geschichte tragen dazu bei, dass man hier nicht nur ein hervorragendes kulinarisches Abenteuer erlebt, sondern auch eine der erinnerungswürdigsten kulturellen Erfahrungen in Miami macht. Alle Spezialitäten auf der Karte, aber auch das Ambiente, sind würzig, voller Geschmack und traditionell kubanisch. Das Restaurant ist bis in die Morgenstunden geöffnet; man kann also ein frühes Frühstück oder ein sehr spätes Abendessen genießen. Lokale Neuigkeiten werden ausgetauscht bei echtem kubanischen Kaffee und authentischer Küche. Die Preise sind erschwinglich; die meisten Hauptgerichte kosten weniger als USD15 (EUR 16,80).

Barracuda Bar & Grill

"Kalte Speisen und Einheimische"

Barracuda ist eine richtige Spelunke und immer packend voll mit Leuten, die gut drauf sind und Spaß haben wollen. Das TV spielt hier eine genau so große Rolle (es gibt immer Football, Basketball oder andere wichtige Sportereignisse des Tages zu sehen) wie die Speisetheke, an der man kalte Speisen und das passende Bier dazu serviert bekommt.
