Wood Tavern

"Terrific Tavern"

The Wood Tavern is one of Wynwood's favorite watering holes. This no frills bar makes anyone feel comfortable with its friendly bartenders, cushioned couches and warm atmosphere. Parts of it even feel like you're hanging out in a friend's den. The most popular part of the bar, however, is the large outdoor patio full of picnic tables and hanging lights, perfect for enjoying the warm Miami weather. As for the liquid offerings, the beer selection is exclusively good quality brews - no Budweiser or Coors at Wood. They also offer the regular selection of strong spirits and delicious cocktails. Wood Tavern is dog friendly, too, so you can bring your furry best friend along for the fun (or the attention).

Broken Shaker

"Interesting Cocktails"

The Broken Shaker, located in the Freehand Miami Hostel, began as a pop-up bar, and got so popular that they set up shop permanently. The specialty cocktail menu changes with frequency, according to the fresh ingredients they have on hand for the day, week or season. Many of the ingredients are grown at the bar's very own herb garden. Grab a seat in the cozy bar or on the beautiful brick patio and gardens to enjoy your signature creation.
