Junior & Hatter

"Tress Studio"

Junior & Hatter on the 3rd is somewhat of a cross between a studio, a bar and a barber shop! Owned and operated by popular stylists Mario Silvestri and Andrea Battista, the salon not only stresses on tresses (age no bar) but also provides the general male population with a fun hangout spot (the have TVs, foosball table and vintage car seats)! Haircuts doled out here are professional, totally rad. Apart from the best haircut of your life, Junior & Hatter also offers makeup services - mani-pedi facials, and the works, as well as specialty treatments such as lash extensions. Check their website for more information.
