Perch

"Dine In The Sky"

'Perched' atop the 13-story tall Pershing Square Building, is a gem of a French bistro, that's hidden away from the hustle and bustle of the historic square. The splendid alfresco setup accentuated by a couple of fireplaces and fire pits, sets you up for what's in store in the kitchen. The connoisseur behind the kitchen walls, Chef Shawn Davis promises to take your dining experience to a different level by serving delicious classic French cuisine touched by his signature style. The regular French delicacies like Ahi Tuna Tartar and Classic Caesar Salad are dished out with flair, and so are the traditional dishes like Bouillabaisse and Duck Confit. In the end, a glass of Armagnac or Calvados from its bar, is enough to round off a fine dining experience. The bistro is also a perfect spot to relax in the lounge area and enjoy the live gigs and cabaret performances which are held here throughout the week. With a location that matches the best in the city, Perch is a perfect place to dine with your loved ones. Call or visit their website to book a table.

The Ivy

"Nur für Reiche und Berühmte"

Diese Lokal wird schon seit Jahren von den schönen Leuten Hollywoods besucht, und es sieht nicht aus als ob es das Tempo ändern wird. Wenn Sie keine Reservierung oder gute Beziehungen haben, vergessen Sie es. Das Dekor ist einfach, und konzentriert ihre Aufmerksamkeit auf die Gäste und das Menü, die beide unglaublich sind. Die Krabbenküchlein sind äußerst begehrt, und das Backhuhn ist exzellent. Wenn Sie es sich leisten können, ist dies ein hervorragender Ort für ein intimes Geschäftstreffen. Wenn nicht, können Sie immer einen Drink an der Bar bestellen. Egal wie, buchen Sie vor.
