Qua Baths & Spa

"Super Spa Sessions"

Located at Caesars Palace Hotel Casino, Qua Baths & Spa embraces an innovative array of spa treatments especially designed to use the healing powers of water. The concept of using water to heal and relieve stress has gained immense popularity and refreshes the old concept of the spa experience. Treatments offered here include the Fiji Ritual, which starts with a coconut creme scrub, followed by a wrap and scalp treatment using coconut oil, and ends with coconut body butter for amazing hydration.

Sahra Spa & Hammam

"A Day of Pampering and Waterfalls"

The decor in the Sahra Spa & Hammam is inspired by the surrounding desert. The entrance to this spa located inside The Cosmopolitan has walls that resemble worn stone, and if you look down the hallway, you'll see a series of waterfalls coming from the ceiling. Enjoy a massage, body treatment, facial, or a seasonal treatment here. They offer baths infused with aromatherapy oils that detoxify or nourish the skin.

Reliquary Spa & Salon

"Rock 'n' Roll"

Reliquary Spa & Salon is located within the Hard Rock Hotel, so you know it must have a little bit of an edge. The spa offers a number of traditional facials and massages, all named after music icons or genres, but there some out-of-the-ordinary treatments as well. The signature Drum Sticks massage utilizes bamboo reeds to drum, tap and roll your body's energy to a balanced flow.

Imperial Health Spa

"Super Spa"

Imperial Health Spa is a luxurious spa complex in downtown Las Vegas offering specialty treatments from skilled professionals using only the finest products. Unique treatments include a diamond dermabrasion and hydrating facial, which uses microdermabrasion tips covered in diamonds to exfoliate and revitalize skin.
