The Massage Sanctuary

"Healing Massages"

Located on Broadway East, the Massage Sanctuary, as the name suggests, is one of the best places in the city to get relaxing treatments without paying exorbitant prices. Situated in an old brick building which has been renovated to fit its new purpose, the massage parlor is the perfect place to visit after a stressful week at work. Some of the treatments available here include hot stone massages, table massages and prenatal massages.

Balance Bodyworks

"Popular Massage Parlor"

Balance Bodyworks, located on the Queen Anne Avenue is a great place to get a good and relaxing massage. Started by Benjamin J Jahn, this massage studio and spa has been around for over five years now and its popularity keeps soaring. The reason being that the treatments given here are of the highest standards without any frills and that too at an affordable cost. Innovation and experimentation are the key to their deep tissue massage treatments, and its benefits can be reaped with a nice long body massage.
