### Frederick's Restaurant

#### "French Winning Wines & Food"

With great wine, excellent food, and a charming ambiance, this award-winning French restaurant has it all. The ambiance of Frederick's Restaurant is lovely for an upscale, intimate and classy meal. You may want to try the Cesar salad, rib appetizer, blackened red fish, escargot or the lobster bisque. The wines and drinks list is extensive, and choosing just one may get confusing. Top it up with some of the best desserts on the menu. To celebrate your private events, hire their space and catering services for a memorable time.
