### Sensia Studio & Japanese Day Spa

"Japanese Music & Rock Gardens"

Reedy Japanese music fills the air in a relaxing atmosphere set with gauze curtains, rock gardens and grass matting. Special rejuvenating services include manicures, pedicures and hair styling. Many of the ancient herbal sciences of the Orient are practiced with amazing results. Enjoy a seaweed wrap, an aromatherapy wrap, a massage with warm stones, or take advantage of a service called the Bindi Body, where damp herbs are applied to the skin, dried under a heat lamp and then removed with a friction massage and scented oil.
