AiiRO Café

"Drink the Night Away"

Set in one of the prime LGBT hubs in Tokyo, AiiRO Café is the place to be for an enjoyable drinking session in the company of like-minded people. You enter this bar through the red torii gate, which, according to regulars, transports you into this whole different world. The bar boasts of a sizable collection of spirits and beers, along with a fabulous collection of cocktails. Regular events and theme nights fill the atmosphere with a seemingly undying energy.

Bar Gold Finger

"Lively Gay Hangout"

Established in 1991, Bar Gold Finger was formerly known as Motel #203. This is a women-only bar and is a popular gay hangout spot and offers an extensive list of beverages to accompany you for an evening. The interiors of this bar are influence from the 1960s and 1970s and are adorned with punk elements. Experience the bar come to life with the several DJ events and theme nights that are hosted here. Its friendly staff with their efficient service assures you a good time and makes you want to come back for more.
