## G-Max Reverse Bungy & GX-5 Extreme Swing

"Are You Brave Enough?"

Get your thrills at the G-Max Reverse Bungy & GX-5 Extreme Swing at Clarke Quay. Brave souls are strapped into a protective cage, stretched back like an elastic band and then flung into the air at speeds up to 200 kilometers (125 miles) per hour! In addition to the guaranteed adrenaline rush, you will enjoy great views of the Singapore River below. Though it may look scary, G-Max has a 100 percent safety record and over 1,000,000 happy customers. Even if you do not try it yourself, it is fun to sit at the adjacent Bungy Bar and listen to the screams!
