### Kyo Bar Japonais

"Eat, Drink and Converse"

Situated in a prime location, Kyo Bar Japonais is a gastropub that has an upbeat and swank atmosphere. This bar and restaurant offers several shochu-inspired cocktails, a large selection of sushi as well as a range of sake. Some of its recommendable items are the Maguro Tataki, Ginjo sake, and other izakaya (Japanese tavern) classics. The bar specializes in small plates and also boasts of an extensive liquor selection. The community table setting encourages conversation and is a good way to make new friends. For those who love tapas-styled Japanese food in a laid-back environment, Kyo Bar Japonais is a good choice.

### Saint Sushi Bar

"Array of Sushi Platters"

If you are in the mood for some delicious Sushi, Saint Sushi Bar is the place to go to. Offering an array of maki sushi roll platters as well as other varieties, this restaurant is highly popular among locals and tourists alike. A number of sashimi options, a few light appetizers and miso soup are also on offer. The ambiance here is cozy and elegant with dim lighting, an open sushi bar, decorative lamps and dark wood furniture. All in all, this is a great place to go for lunch with friends and family.

### Mikado

"Upscale Japanese"

Mikado is a popular Japanese restaurant and sushi bar that offers an excellent cuisine. Diners can choose from over twenty appetizers alone, ranging from dumplings to tempura to sushi and sashimi. Soups and salads precede a suitably giant selection of main courses. Steak, chicken, seafood and tempura platters are alternatives to the huge selection of sushi and sashimi. Call ahead for more details.
