Located to the north of Toronto, the city of Vaughan reverberates with the joyous shrieks and screams that emanate from the fun-filled corners of Canada's Wonderland. This colossal theme park features over 200 attractions and 68 heart-thumping rides, including 15 roller coasters. a height of 91.7 meters (301 feet), is one such ride that sets riders' hearts apace and heads spinning, moving at a speed of 50 kilometers (31 miles) per hour. Another unique attraction is the Wonder Mountain's Guardian, an interactive 4D ride that takes visitors on a seemingly daunting trip through the dark. However, all rides pale in comparison to the mighty Leviathan, deemed as Canada's fastest and tallest roller coaster. It plunges riders from a height of 93 meters (306 feet) at an 80-degree angle, hurtling across what seem like endless loops of ascent and descent.
