Fort Calgary

"Visit Calgary's Early Days"

Fort Calgary gives visitors a hands-on look at early Calgary life. Fort Calgary lies on 16 hectares (40 acres) of the riverside parks. The interpretive center reconstructs the original 1875 fort, a facility North-West Mounted Police built after being dispatched from the settled east to establish law and order among pioneers, and to stop the culturally devastating whiskey trade. Children will love trying on the officer's uniforms that have been laid out and exploring the interiors of the old prison. Visitors can grab a bite, or indeed a shot of whiskey at The Deane House, the on-site restaurant.

Heritage Park Historical Village

"Calgary's Living History"

Heritage Park Historical Village, one of Canada's largest historical villages, is divided into a pioneer Northwest Mounted Police outpost and a Main Street from 1910. The latter has a working antique amusement park, with rides that are safe even for small children. Other attractions include a working full-scale locomotive thundering through the park, and on the nearby Glenmore Reservoir, a vintage double-decker sternwheeler ship that takes visitors on lake cruises. Shops and restaurants are plentiful in the park, including a turn-of-the-century bakery. All park staff work in costume and character. Entertaining events for the whole family are scheduled year-round, including September's Fall Fair. The opening timing may vary for different experiences at the park.
