Chinook Centre

"Shoppers' Destination"

From the outside, this enormous shopping center looks a bit like a giant spaceship. The Bay, Zellers and Sears are the major stops here, while The Gap, Eddie Bauer, Hallmark and The Sony Store are among some 150 other mall tenants. There are also dozens of services and a professional building at the heart of the mall. A massive new food court is the feature attraction of the reworked mall, which for years was in many ways two malls separated by an elevated parking garage.
