Lila

"Feminine Fashion"

Vienna's young fashion designers gave set up trendy boutiques along the Kirchengasse and one such place is Lila. This urban and trendy fashion label is a popular choice among local Viennese women. Established by Lisi Lang, this fashion brand is a perfect collection of casual wear and informal office wear for women. With focus on airy and soft flowing fabric, she creates dresses and blouses that enhance the wearer's personality and lets their true feminize side shine through.
