### Cheeseburger Factory

#### "Burger Counter at Ala Moana"

Located just inside the ground level parking entrance at the Makai Marketplace in Ala Moana Shopping Center, this burger counter offers high-end burgers at affordable prices. The Cheeseburger Factor has a constant crush of shoppers, island visitors and beach goers. You can gather with them at lunchtime for the tastiest grilled patties on fresh baked buns, topped with fresh ingredients, like island tomatoes and lettuce. The shrimp and mahi mahi burger is one of the more popular items on the menu. The crowds at lunchtime can be overwhelming if you're looking for something fast and tasty, so bring patience along with an appetite.

### Teddy's Bigger Burgers

#### "Freshly Made"

Relish a perfectly made burger in a vibrant 1950's theme at this wildly popular burger joint located at the Kailua Village Shops. Part of the recipe for their delectable creations is their focus on quality, from freshly ground beef to the hand made patties. Freshness is guaranteed as every burger is made to order. Menu specialties include the Kailua Style Burger, The Bandito and the Cajun Burger. Original selections including the Teri Burger and the Monster Double are all time favorites. Apart from this, there's a selection of salads and sandwiches as well. Wash it down with the selection of creamy shakes or perhaps a soda float. Check website for more.
