Road Runner

"American Hamburgers"

Geneva's first American-style hamburger joint. Students of the International School of Geneva were delighted when the Road Runner opened across the street from their school some 30 years ago. The restaurant has retained its popularity amongst young and old alike. Casual contemporary decor and a very popular flipper machine in the back that churn out hamburgers, French fries, salads and brownies. Not as cheap as a fast-food joint but a much better quality and you can help yourself to as much ketchup, relish, lettuce and pickles as you want at the counter.
