Kunsthalle Restaurant

"Garden Restaurant for all Seasons"

The Kunsthalle has two faces— the brasserie-style pub with beautiful murals and lots of patina finishes (loved by students and artists for years). The second section is an exclusive restaurant, separated off by a short wall for Basel's upper crust. Both sections are served by the same team but have separate menus, both benefiting from a fusion of French and Italian cuisines. In the summer, enjoy patio dining at one of the most attractive garden restaurants in Basel.
