Bleu Lézard

"Popular Bar in Town"

Whatever your requirements are, they will be covered at this powerhouse of a place. With exquisite touches of rustic and understated walls and chandeliers shining brilliant lights all around, the interiors are great if you're looking for a cozy, tranquil, or romantic atmosphere. And for those who live for the nightlife, Cave du Bleu, the in-house party section, has a wild vibe where revelers congregate to take in the various concerts the venue hosts and dance until dawn to the tunes of the DJs. It is placed in the basement and hosts live music performances along with other events. An additional feature is that the bar doubles as a location for monthly rotating exhibitions of work by emerging artists.
