Boogie's BBQ

"American-Style Smokehouse"

Bringing the flavors of Tennessee to the streets of Nuremberg, Boogie's BBQ is a Memphis-style smokehouse. Set in a minimalist space with only the most basic decor, the restaurant clearly focuses on food. The meats, smoked between 4 to 24 hours at low temperatures are juicy, tender and amazingly delicious. They even use traditional cherry and apple wood smokers imparting the meats a smoky flavor. They can be enjoyed in a variety of different ways. Opt for the traditional ribeye, or go for one of the smoked meat sandwiches or burgers. Each dish comes with a choice of two sides. The Kentucky Cole Slaw and Potato Salad are particularly delightful. If you are confused about what to order, simply go for one of their daily deals. If you are looking for a true American smokehouse experience, your search ends at Boogie's BBQ.
