## Hudson's on Somerset

"Refined Dining and Burgers"

Hudson's is located in Green Point, Cape Town. It is said to be the best burger joint in Green Point, if not Cape Town. Hudson's on Somerset is the classic old school American diner, but slightly refined with classic flare. It is the perfect restaurant to go to where everyone will find something that they like on the menu while being able to smell the ocean breeze. It has a hospitable, warm and friendly atmosphere – the ideal place to get together with a group of friends. Along with its authentic burgers, Hudson's also serve pizzas and other classic specials – pair that with a beer on the seaside and you will understand why Hudson's is so popular amongst the locals. - Joel Bronkowski
