Harbour House

"Freshly Caught Seafood"

Harbour House is a seafood, seaside restaurant with views toward Simon's Town on one side and St James on the other. Relax in this comfortable venue whilst watching the fishing boats bobbing at the moorings, gulls swooping and the sea air awakening your appetite. The airy interior has lots of white, which makes a perfect frame for the azure sea through the many windows on three sides. There's a smallish menu of excellent seafood, much of it fresh from the boats that you can see through the windows. If you're not in a fishy mood, the Harbour House Burger will guarantee satisfaction. There's a small wine list with very reasonable prices.
