Afraid of Mice

"Mice You Will Like"

Afraid of Mice is a quintessential women's clothing store that stocks all the clothes that you've wished your mom had set aside for you. The store is located on Long Street at the corner of Longmarket in Cape Town, South Africa. It is known for its unique collection of second hand and vintage clothes that are handpicked by Simone and Bianca Brandi: the owners of the store.

Mememe

"Stylish South African Designer Labels"

Mememe is the women's wear boutique of local designer Doreen Southwood. A longstanding Long Street favorite of Cape Town's fashionable ladies, it is the place to shop for playful dresses and tunics in monochrome and frivolous gingham. The floor to ceiling display windows invites passersby to come into the funky store and gaze at Doreen's designs and other hip and sought-after local names including Suzaan Heyns, Lisp, Adam & Eve, Stephen Quatember and Chandan Allen. They also have uniquely designed shoes by Diamonde and a selection of jewelry by labels Collect and Barbara Rishworth. Worth a visit to do shopping and to check out the local design scene.

Afrogem

"Gem Of Africa"

Afrogem invites you to visit their workshop, which is the oldest producer of hand-cut tiger-eye gemstones in South Africa. Take a guided tour around the factory, where you will see gemstones cut, polished and then set. A final stopover is the shop where you can make accessory and jewelry purchases to suit every pocket. As well as tiger-eye, other stones available include rose quartz, amethyst, South African jade and malachite.
