Curry Village

"Classy Curries"

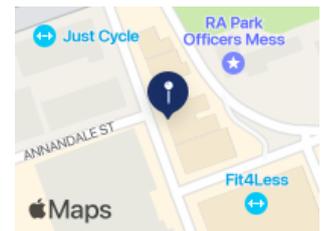

With what is perhaps the most comprehensive Indian-food menu in town, Curry Village offers a number of specialties not found elsewhere. They have an entirely separate (four-item) pickle section on their menu, which also explains in some detail how most of the dishes are made. An appetizing selection of vegetarian dishes make it accessible to all palates and the cheerfully elegant two-floored restaurant has a non-smoking lower floor. Curry Village offers six special curries, one of which is methi gosht, a beef curry flavored with fenugreek leaves.
