The Ritz-Carlton, Cleveland

"Modern Luxury"

The Ritz-Carlton, Cleveland is a fine example of Midwestern appeal in downtown Cleveland. This hotel boasts a contemporary look and has facilities that live up to a true Ritz-Carlton experience. All the rooms and suites are tastefully decorated in lighter hues like white, beige and cream. The variety of cocktails at the casual Lobby Lounge is a class apart from the rest. Enjoy international or local cuisine at Muse, the restaurant onsite. Formal business meetings or social events are all a grand event when hosted here.

Great Lakes Science Center

"Scientific Fun"

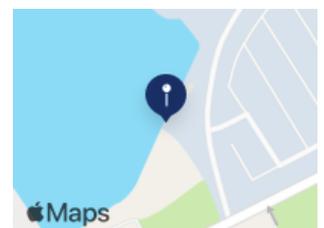

If scientific wonders intrigue you, then a trip to the Great Lakes Science Center is definitely a must. The science center offers an array of activities from fun sci-fi movies in their giant Omnimax Theater to interactive workshops for students and teachers in the classrooms. There are more than 400 scientific exhibits in different galleries to look at. After all these activities, if you are in a mood for more, sign up for one of their workshops or overnight camps. If your appetite is worked up after the brain-building experience, there are plenty of refreshment stalls and cafes to satisfy your hunger pangs.

USS Cod Submarine Memorial

"Historical Submarine"

Moored along the Cleveland coast of Lake Erie, the USS Cod Submarine is a National Historic Landmark that served during World War II. The submarine was built by the Electric Boat Company in 1942 and was involved in the first submarine-to-submarine rescue in 1945 that saved the crew of a Dutch submarine. Open between the months of May and September, you can climb through the narrow hatches to enter the living quarters of the crew and even torpedo rooms on the massive submarine.

Whiskey Island Marina

"Cleveland's Hot Spot"

Whiskey Island Marina is not only a place to dock boats, it has something more to offer, with a variety of events and activities for the entire family. The panoramic views of lake Erie and the city are breathtaking and add to the entire sight-seeing experience. The Whiskey Island Marina also houses Sunset Grill which was voted Best Island Bar in 2007. Head here for fun, great views and good food. This is a great spot to soak up some sun during an indulgent weekend.

Cleveland Museum of Natural History

"Knowing Nature at it's Best"

As the name would suggest, the Cleveland Museum of Natural History showcases exhibits on the wonders of nature. You will get to see different types of dinosaurs along with rare plants and animals. If stars and constellations interest you more, then visit the museum's Nathan and Fanny Shafran Planetarium that opened in 2002. This is a highly informative and interesting center that appeals to all ages.

Cleveland Botanical Garden

"Down the Garden Path"

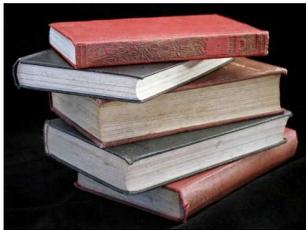

This is the nation's oldest civic garden, dating back to 1930. It is divided into herb, wildflower, rose, perennial and Japanese gardens. More than 3000 species of trees and shrubs fill the garden. This non-profit community resource center offers information on landscaping and horticulture. The garden library has a section for youngsters, and visitors can choose from several programs such as preschoolers' storytimes, crafts and gardening classes.

Forest Hill Park

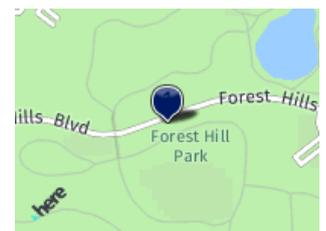

"Sporting-cum-Leisure Park"

Situated across Lee Road, the Forest Hill Park provides the much needed green respite to its neighborhood. Apart from that, it also has sporting facilities for public use that includes ball-fields, tennis courts, a playground, multipurpose fields and much more. That's not it, the two sheltered areas are perfect for picnickers and are ideal for summer outings. Those who are not much into sports, can simply go for a nature walk or sit by the lovely duck pond.

Lake Metroparks Farmpark

"Fascinating Farm Life"

Lake Metroparks Farmpark is a must visit for those touring Kirtland with their little ones. Covering more than 200 acres (80 hectares) of lush green land, this park is home to several farm animals like pigs, horses, rabbits, llamas and more. Through their Plant Science Center, and activities like planting and harvest, cow milking, maple sugaring, corn grinding and sheep shearing, Lake Metroparks Farmpark aims to educate children as well as adults about the evolution of agriculture. Additionally, children can enjoy wagon rides, and interact with farm animals throughout their visit. Lake Metroparks Farmpark is also home to a playground, and a maternity ward where baby animals are taken care of.
