New Mexico Museum of Natural History & Science

"Prehistoric and Futuristic"

Take a walk through time from the big bang through the ice ages in one of the premier natural history museums in the country. Also, discover a great collection of massive dinosaurs while you watch technicians work on actual fossils. You can also experience the Dynamax Theater with its multi-story screen and super sound system. Step into the Time Machine and stop by the Lode Star Center that includes a high-tech, 175-seat theater, telescope and planetarium. The STARTUP Gallery tells the story of Albuquerque's role in the development of the computer. The Nature Works store in the museum features a unique inventory of items related to dinosaurs, birds, and various species of animals and scientific gadgets.

Albuquerque Museum

"Interesting Local Museum"

Since its inception in 1967, the Albuquerque Museum has been a hub for historical and artistic treasures. Located in the Old Town area, the museum has a huge collection of artifacts and relics from as far as 400 years. Visitors can gain a deeper insight in the city's history and culture. New Mexico's art, Albuquerque's history, and Southwest culture, come together at this museum. Live performances take place at the museum's amphitheater quite often. For the little ones, there are educational programs. The museum also takes you through a guided tour of the 18th Century Casa San Ysidro, a spectacular old house.
