Icehouse

"All-American Treat"

Nothing beats the combination of fresh, healthy American food and an array of American beverages and drinks specials. Icehouse, which is a deli located in Whittier, offers just that and much more for the fun loving foodies. The atmosphere is casual and friendly, just what you'd expect from a deli. However, the popularity of this eatery is due to the range of scrumptious delights which are made exquisitely from scratch by the expert chef. This includes the small plates delicacies like foie gras burgers and scallops, as well as the special brunch items like Po Boy sandwiches and pastrami and eggs. In the end, you can wash it down with the drinks specials like Mothership Rita and Butterfly Kiss, or a glass of Cedar Ridge Bourbon or George Dickel 12 year from its splendid whiskey bar. Jazz and rock bands pack a punch with their performances every night, so make sure you reserve your table at Icehouse in the evening, to enjoy a satisfying American meal.
