Bashamichi Taproom

"Beer & BBQ"

A must for beer lovers, Bashamichi Taproom is one of several outlets for Baird Beer, a small brewery dedicated to making flavorful beers using traditional malted barley, whole flower hops and soft Numazu water. The three-story Taproom has a long bar on the ground floor, a large room with bar and table seating on the second floor and a rooftop beer garden. The range of beers on tap include brown ale, pale ale, IPAs, a lager, a stout, and amber ale, as well as seasonal choices and a guest ale. The food menu offers authentic American style BBQ with beef, pork and chicken. There is also pizza, salad, macaroni cheese and Texas chili. A big-screen TV and regular music events help to create an inviting atmosphere. -AH

Charcoal Grill Green

"Fusion of Japanese and Americano on your Table"

Charcoal Grill Green is a restaurant that serves Japanese American food. The restaurant is quite huge and spacious and has a variety of dishes. The Philly Steak Pizzas is a recommendation by every visitor. Charcoal Grill Green offers food and alcohol; the wines here are few of the finest. Good hospitality by the staff and great service. One visit is definitely going to bring one back to this place.
