### Debenhams

#### "High Street Fashion Center"

This Debenhams store specializes in designer fashion, cosmetics and accessories for men, women and children at high street prices. In the men's department top names include Jeff Banks, Yves Saint-Laurent and Pierre Cardin. The concessions in ladies' fashion include Maine New England style, Morgan, Trader Jeans Company and Jasper Conran. Besides leading the way in introducing designers to a more mainstream audience, Debenhams prides itself on its commitment to the best in customer service. This includes individual customer accounts, special offers and sales preview evenings. Note that the store also has a coffee shop, restaurant and excellent baby changing facilities.

### Jaeger

#### "Tailored or Casual Classics"

Jaeger offers a lot of space for you to browse and buy for both men and women. Jaeger is synonymous with chic tailoring, whether you are looking for silk shirts, fine knits or natural fabrics. The look here is definitely contemporary but relaxed with an extensive range of silk ties and other speciality accessories. Note that this particular shop also carries a boutique line that is not available at all Jaeger shops.
