Jaeger

"Tailored or Casual Classics"

Jaeger offers a lot of space for you to browse and buy for both men and women. Jaeger is synonymous with chic tailoring, whether you are looking for silk shirts, fine knits or natural fabrics. The look here is definitely contemporary but relaxed with an extensive range of silk ties and other specialty accessories. Note that this particular shop also carries a boutique line that is not available at all Jaeger shops.

Encore Clothing Agency

"Stylish and designer collection"

Encore clothing Agency is always a good halt for shopping. This store was opened in September 2013 and is now a popular boutique for men and women. The store has diverse collection of designer men's shirt from brands like Ralph Lauren and Caroline Herrera. The women's collection include stylish clothing especially designer dresses from Karen Millen and a range of shoes, jewelry and bags. You will also find a wide selection of affordable vintage clothing in the store too. The store also offers to sell their clothes and other items on consignment through their store.
