Défi Kart

"Indoor Go-Kart Course"

A huge loop of go-kart tracks provides the space for children, adults, and competitors to speed past the finish line as many times as open hours allow. The venue also contains a panoramic bar looking out onto the tracks, hosts competitions, and may be rented for events or workshops. During certain hours, the course is restricted to children or specific vehicles on the tracks. Tickets may be purchased for individual runs or in packages. See website or call for details.

Circuit Indoor de Toulouse

"Go-Carts for Adults and Children"

A ten minutes drive east of Toulouse brings you to this indoor karting track, open to children from 7 years old up. A great chance for everyone to let off steam with minimal risks on 80-100 cm³ go-carts. Crazy races and an intense atmosphere make it an unforgettable experience for ace drivers and speed lovers; polite and pleasant employees make you really feel welcome. The required protection helmets are provided by the karting center.

La Ramée

"A Leisure Centre"

About ten kilometers west of the city, the green area of La Ramée is well known mostly for its large lakes and water sports. In the wooded area around the lakes there are other facilities: football and volleyball fields, jogging trails, a mountain-bike course, an indoor swimming pool, a golf club, a children's playground and a miniature harbor. There's a picnic area and a little refreshment kiosk near the water. A good day out for the family.
