Julians

"Housemade Goodness"

A refreshing break from the usual fare at most restaurants, Julians has caught the city's imagination with its original and extremely creative take on classic favorites. A look at the menu itself is bound to intrigue, with unique dishes like scrambled egg pizza making a regular appearance. Newport Creamery

"Breakfast And Ice Cream"

The Newport Creamery is a local chain of pleasant restaurants frequented by everyone from senior citizens to families with children. While these friendly restaurants began with a heavy emphasis on the ice cream dishes they offer, including the famous Awful Awful (basically a large milkshake), they quickly became a favorite lunch spot. Try the tuna or grilled cheese sandwich, or enjoy a hearty burger. The restaurants are open for breakfast, lunch and dinner and are a great place to go with small children.
