## Behind the Fence Bed & Breakfast

"Family Style Accommodations"

This cozy bed and breakfast establishment operates in a house that features what is known as 'salt-box' construction, straight up and simple, a product of the 1800s. Behind the fence here, you'll find an attractive home featuring family-style accommodations and a private cottage. Located in the suburb of Brandon, the house is just minutes from scenic river canoeing, an unusual sports option in these parts. The home and cottage feature charming period antiques, from the reclaimed barn wood tables, to the hand carved beds and hand stitched quilts. A complimentary breakfast is offered and the sweet Amish buns are a true delight!
