### Michael Angelo Hair Studio

#### "Fresh 'Do"

Cut, color or even just a basic trim, the professionals at Michael Angelo Hair Studio can pretty much do it all when it comes to hair. All the stylists are certified by Redkin, a popular and premier hair care brand, and are continuously educating themselves on the newest hair trends and techniques with classes. Whether you need a whole new 'do or just want to trim up those bangs, this salon will have you leaving satisfied and coming back for more.

### Mikel's the Paul Mitchell Experience

#### "For New Tresses"

Exclusively using Paul Mitchell products, this salon delivers the best hair cutting and coloring techniques in the business. From hair extensions, "design center", and "color bar" to a simple blow out, Mikel's the Paul Mitchell Experience will blow you away with their level of expertise and knowledge. You can even choose to upgrade your "lather lounge" experience and opt for a parafin treatment and tea tree oil shampoo with extra long massage time!

## The Heights Barber Shop

### "Fresh Cuts"

For the cleanest shaves and the freshest cuts, head to The Heights Barber Shop in Plant City. This local barber shop is a no-frills, no-fuss operation. Talented barbers wield straight razors like nobodies business and the price point is budget friendly too! A small town, nostalgic feel shines from this small, yet cozy space, while the barbers will greet you like an old friend would.
