Fort Worth Botanic Gardens

"Enchanting Nature Preserve"

Fragrant and serene, Fort Worth's Botanical Gardens offer beautiful trails and garden exhibits in one of the oldest and largest natural settings in North Texas. An extensive greenhouse area, housed in the garden's conservatory, showcases tropical plants and exotic birds in colorful settings. The Japanese Garden, a popular attraction among visitors, is tranquil and perfect for relaxation or contemplation. Special events abound throughout the year, such as the annual spring butterflies in the garden, with more than 6,000 butterflies adding color to the already magnificent setting.
